

Meet Dr. Eva Mate.....

Dr. Eva Mate relocated her office practice from the Rosedale Medical Centre to the Albany Medical Clinic on January 2nd, 2017.

Dr. Mate graduated from the Medical School of the University of Chile, and upon arriving in Canada, did her Rotating Internship and Residency in Internal Medicine at the McGill University Hospitals in Montreal.

She completed her Fellowship at the University of Manitoba in Winnipeg, and obtained her Specialty Certification in Respiratory Medicine by the Royal College of Physicians and Surgeons of Canada and Certification by the American Boards of Internal Medicine and Respiratory Medicine.

Dr. Mate is presently affiliated with St. Michael's Hospital.

Dr. Mate has lengthy experience caring for patients with acute and chronic lung diseases, and has been a Consultant and Assessor for the Workplace Safety and Insurance Board (WSIB).

She also provides assessments as an Independent Medical Evaluator and her work has been applied in Insurance Medicine.

Dr. Mate is fluent in Spanish and Hungarian.
